

## **Grammar (Experimental Prose Poem)**

Grammar correctness everywhere; Grammar Nazi's abound; Grammar differences between us and the yanks; Grammar driving narratives; Grammar semi-colon abuse is annoying; Grammar is a creative decision; Grammar contractions; Grammar with Oxford commas; Grammar confusing non-English speakers; Grammar confusing English speakers; Grammar their, there & they're; Grammar to two, too; Grammar failings lose marks; Grammar schools breed dick heads; Grammar is-in-the-eye-of-the-beholder; Grammar stupidity is the bane of editors; Grammar checks, a, must, before, manuscript, release; Grammar panda, eats, shoots and leaves ... or does he?; Grammar panda is now a fugitive from justice; Grammar panda is caught and sent to court; Grammar panda is sentenced to eat shoots and now, cannot leave; Grammar exclamations are questioned; Grammar misuse of exclamation marks can be confrontational!!!!; "Grammar," exclaimed the tutor; Grammar emojis can surprise you :-O; "Grammar and Grampar," yelled the red-neck; "Grammar," shouts the toddler learning to talk to grandparents;
