

## **Red Ruby Girl**

Firm eyes piercing, willing  
Longing and desire run deep  
A tilt of the head questioning yet thoughtful  
Shuffling feet showing intent  
Second by second  
Pressure and intensity palpable  
Eyes darting toward expectation  
Breathing intensifying  
With action comes reaction  
With reaction comes pleasure  
30, 40 seconds, a Mexican standoff  
Silent anticipation stretching time  
The release comes, and the chase is on  
leading to heartfelt excitement  
Satisfaction and Pleasure roll together  
Returning to Master, eyes glinting with joy  
The reward for a game well played  
Awaiting the next chase panting  
Master and Labrador lock eyes again  
A perpetual game bringing joy to all
